## Market Guidelines

### Community Table

*These guidelines are in effect for 2025, and relate to the market's Community Table. Halifax Brewery Market welcomes local not-for-profits and community groups to enhance the market's atmosphere.*

#### GUIDELINES

- Priority will be given to groups working in Nova Scotia and working on issues surrounding food policy, agriculture, community accessibility, sustainability, land preservation, fitness & health, the arts and the environment. Other groups may be considered if space is available, provided the group is working to create a better community and is recognized as a community group by the market's board.
- At the market, community groups may engage in any of the following activities: seek donations, provide information and literature, seek volunteers and/or members, demonstrate activities, and fundraise by selling approved items.
- We do ask that Community Groups appear at the market only once monthly and that they are completely setup 15 minutes prior to the start of market, and remain at their booths until the end of market.
- The market will do its utmost to collaboratively promote the community group through our social media channels in the lead up to their attendance.

- Not-for-profits wanting to sell products onsite can make use of the reduced Community Table rate of 25.00\$ (tax incld.), and will not be permitted to sell products in direct competition with the market's established vendors.
- Not-for-profits & Community Groups wishing to sell tickets to their events are asked to donate two tickets to the market for use in customer raffles and volunteer appreciation packages.
